Digital imaging, slide, and print design services for artists and galleries

ESTIMATES FOR TYPICAL JOBS...

Shooting digital / adjusting image files... \$150 minimum.

*1 hour shooting digital of up to approximately ten set-ups, and 1 hour working in Photoshop to make adjustments to the resulting image files. Rotating, straightening, cropping, fine tuning of color and contrast, converting to desired format, size, resolution, etc. You get original camera files and adjusted files on a CD.

Shooting slides... \$130 minimum.

*1 hour shooting slides of up to approximately ten set-ups, including one 36-exposure roll of film with processing. You get 36 slides in slide pages.

Shooting both digital and slides... \$230 estimate.

Same hourly rate, but shooting takes longer. *1.5 hours shooting both digital and slides of up to approximately ten set-ups, including one 36-exposure roll of film with processing, and 1 hour working in Photoshop to adjust the resulting image files. You get original and adjusted files on a CD and 36 slides in slide pages.

Adjusting existing image files... \$50 minimum.

1 hour working in Photoshop to make adjustments to approximately ten existing digital image files. You get adjusted files on a CD.

Scanning existing slides... \$100 estimate.

1 hour scanning up to approximately ten slides, and 1 hour working in Photoshop adjusting the resulting image files. You get original scans and adjusted files on a CD.

NEW Exhibition catalogs... various prices.

Design and production of exhibition catalogs. I can show you examples of short-run, reasonably priced catalogs I've produced to help you with the design of your own catalog.

**Estimated shooting times for these typical jobs assume shooting digital and/or slides of 2-D work without special lighting requirements. Shooting 3-D work, installations, artwork behind glass or especially reflective artwork, all may increase time and cost.*
